

# Join the Strawbridge Elementary PTA

## Membership in your local PTA means:

- Investing in our children's future
- Obtaining valuable resources and materials on parenting, education, health, and safety topics
- Uniting with a national association that advocates exclusively on behalf of all children
- A member is the most important person in any organization.
- When you become a member of a local PTA, you are also becoming a member in the National and State PTA as well.

**Any person who cares about the wellbeing of children may join the PTA!**
